

Hornets Scalp Indians In Bux-Mont; Langhorne High Wins First Title

Doylestown High Beats Souderton Eleven, 25-12

Souderton Scores First in Opening Quarter Before Hornets Get Going—McDevitt and Koch Injured on Hornet Line-up—Upper Moreland Defeated by Jenkintown High Drakes, 47 to 6—Doylestown at Lansdale on Thanksgiving Afternoon Is Next Hornet Game

The curtain is now set for the final and last game of the Bux-Mont Conference season for the Doylestown High Hornets—the Lansdale classic on Turkey Day afternoon. Otherwise the season ended on Saturday afternoon when the Hornets defeated the tail-end Souderton High Indians, 25 to 12. The losers have not won a game this season although they threw a scare into the Hornets by scoring first in the opening quarter.

In the only other Conference game played Saturday, the Jenkintown High Drakes defeated the Upper Moreland eleven, 47 to 6 to pile up the highest score on the Jenkintown register this season.

Two Doylestown High players were injured in Saturday's game which will keep them out of the Thanksgiving Day game at Lansdale. They are Ed Koch, center on the Hornet line-up and Jimmy McDevitt a back. Koch sustained a leg injury and McDevitt received a broken collarbone.

Redding Rufe, Doylestown's scoring back, registered three touchdowns after Ray Hendricks had run 60 yards for a Souderton score in that first quarter. One of Rufe's six-pointers was the result of a 65-yard run. Lutz also scored a six-pointer for the Hornets. Woodcock converted one Hornet point after touchdown.

Eddie Rice scored 28 points for Jenkintown in the victory over Upper Moreland, making four touchdowns and four extra points.

The speaker scolded the suppression of emotions of the right kind because these, with stress of emotions of the wrong type, he said, make for an unbalanced life. "It is difficult," he said, "to cope with these confusions, and I am concerned about the person who is unable to cultivate his or her emotions so that the finer feelings of life come out."

PLANS FOR EXPANSION

Bristol, Nov. 18.—Complimenting the men of industry in this borough for the aid given Fleetwings during the war, Mr. Daniels, chief of material control at Fleetwings, here, told members of Bristol Rotary Club at their meeting the past week that Fleetwings expects to be located here a long time. Speaking before the members, Mr. Daniels said: "Our plant is continuously expanding, but we are experiencing some difficulty in procuring equipment."
Members were told that about 1,600 persons are employed at the plant at present, but it is expected between 2,000 and 2,400 will be employed when the expansion program is completed.

Penn's Fade-out

NATURALLY, we were disappointed when Penn lost to Army, 34 to 7. Personally we thought that Army would win by six or seven touchdowns. It was a great game for the 76,000 paying customers and the 3,000 unpaid who jammed every nook and corner. They saw the greatest football of all time in action against Penn—a team that was so far ahead of the Penn eleven, there are no words for that. It was a great game for the fans, but it was a tragedy for the players. Penn's defense was so good that they were able to keep Army from scoring. But after that, they folded.
Your observer had an unusual experience that sort of took the one-sidedness out of the Penn-Army game and was worth the 50-mile round-trip jaunt to Franklin Field. We were privileged—thanks to the director of publicity—to sit in on the nationwide broadcast from the Franklin Field tower, where we met Ted Husing and watched him "set up" for the broadcast and then heard him cover the game over the mike.
THE experts in Franklin Field's press box were very open and free about their comment during Saturday's game. Most all of them agreed that Penn has a mighty team so far as strength is concerned, but so far as courage is concerned, that's a different story.
Odds And Ends
ON THE Sidelines: Three former Bux-Mont Conference football aces were listed in the official roster of the Penn team on Saturday. They included H. M. Bohn and Timothy J. Timoney, both of whom played for Springfield High, and G. Wayne Helman, end, who played at Lansdale High. All football roads will lead to Lansdale tonight where the postponed game between the Doylestown Vets and the Sell-Perk Greenjackets will be played under the Lansdale archlights.

Kiwanians in Sellersville Hold Party in Ambler

WOMEN AMONG GUESTS

Kiwanians in Sellersville and Lansdale were the sponsors of ladies' night parties at their meetings the past week. The Sellersville Kiwanians held their social event in Ambler, and the Lansdale group assembled at Fort Washington.
More than 70 persons attended the party of the Sellersville club. The committee in charge included Paul M. Harr, Earl Lutz, Roy F. Stachel and William Hill.
This week the members of the Sellersville club will be the guests of the Sellersville Civic Improvement Association.
Eighty-seven Kiwanians, their wives and friends attended the party held by the Lansdale club. The entertainment opened with three vocal numbers by Floyd B. Kulp, a member of the club, after which "Doc" Irving, a professional entertainer, performed a number of tricks and put on a mind-reading act.
Miss Vivian Swanson followed with several vocal numbers, and John Carlson presented a bell ringing number. C. Richard Snyder, a member of the club, served as accompanist for the entertainers and directed the group singing.
Almost fifty prizes were awarded, and each woman was presented a pair of nylon stockings.

Langhorne High Wins First Football Title

Langhorne-Middletown High Beats Morrisville, 46 to 0 With Dick Lukens Scoring Three Touchdowns—Langhorne's Second Victory in 17 Years Over Morrisville High

Langhorne-Middletown High won its first Lower Bucks County League football championship in history by defeating Morrisville High, 46 to 0 on Saturday at Langhorne. Dick Lukens tallied three touchdowns but the punting and passing of Captain Wayne Schneider, who threw three payoff passes, was the outstanding factor of the game.
It was only the second victory in 17 years for Langhorne over Morrisville. Either Morrisville or Bristol had won every title since the league was organized.
Gerhart Keller and George Detweiler blocked Danbury's punt in the end zone in the first quarter and Keller fell on it for Langhorne's first score. A 27-point second quarter during which Coach Mike Derisi lifted his reserves in favor of his vastly found Schneider passing to Bill Fizzano from the 21-yard line into the end zone for the second tally. Langhorne drove 50 yards with Lukens going over from the one and a few minutes later Lukens intercepted a pass and went 50 yards to score again. In the third period Schneider hit Fizzano with a pass from the 15 that was caught on the 40. He ran the remaining 60. Schneider passed to Lukens in the end zone from the 18 for the final tally.

THE CAPITOL WHIRL

Harrisburg, Nov. 18 (MS) — Gov. Edward Martin's smashing triumph over incumbent Democrat Joseph P. Guffey, in the U. S. Senatorial contest November 5, has placed the retired Army Major General high in the ranks of National Republican leaders. A few officials at the State Capitol have already started to predict that Governor Martin, whose term as Chief Executive expires January 21, may be selected by top G. O. P. leaders for the Republican Presidential nomination in 1948 despite the fact that he will be 68 years old at that time. Although he will be a "freshman" U. S. Senator when he assumes office in January, Governor Martin was expected to play an important part in formulating G. O. P. national policies. Pennsylvania's senior Senator is Francis J. Myers (D.) Philadelphia, whose term expires in 1950.
Pennsylvania's 28-member Republican Congressional delegation was also expected to play an important part in the enactment of legislation at the Eightieth Congress next year. The Republicans increased their Congressional delegation by nine members at the general election. Dean of the G. O. P. Congressional bloc will be Cong. Richard M. Simpson of Huntingdon. Simpson has served five terms. He represents the 17th, or "Shoestring" district, comprising Huntingdon, Mifflin, Bedford, Fulton, Juniata, Perry, Snyder and Union counties.
Members of the State G. O. P. congressional delegation were expected to confer with Gov. Edward Martin and Attorney General James H. Duff, Governor-elect, on a legislative program before Congress convenes in January. It was anticipated that top Pennsylvania Republican leaders including State Chairman M. Harvey Taylor, National committeeman G. Mason Orlett, of Wellsboro; Mrs. Marguerite Scranton, of Scranton, National committee woman, and Joseph R. Grundy, of Bristol, former U. S. Senator and party leader, would attend the conference.
